

## A Big Surprise For Narberth

SPONSORED BY PROMINENT  
CITIZENS.

AT LAST! A real live non-sectarian Choral Society of mixed voices is organizing in Narberth! This is a piece of good news which the people of Narberth will welcome. An organization of this kind should have been an established factor of the town many years ago, as Narberth is chockful of good singers—it lacked only some initiative folks to start it. And now that it is here to stay, no good singer will want to be on the outside.

The main feature of a musical organization is, as we all know, its musical leader, and in this instance the Choral has been exceptionally fortunate in inducing Prof. C. C. Nice to be its director. No elaborate introduction is needed—we all know the extraordinary musical ability of the Professor, and there can be no doubt whatever of the success of the society with Prof. Nice as its conductor.

The Choral Society is backed by some of the most influential men of Narberth, who have long wanted to stimulate and encourage the musical activities of the community. These gentlemen will hold the office of Honorary Vice-Presidents, and their names will be announced publicly at a later date.

The Chorus will start its training under Prof. Nice at once, and plans to give a very attractive spring concert. According to authentic reports, the Choral will give some very high-class productions, such as the "Rose Maiden," "Mikado," "Pinafore," etc.

This will be a musical society for every good singer of Narberth, and a representative of each church and of every organization of the borough has

## New State Tax System Provides One Assessment

FIRST AND SECOND CLASS CITIES ARE EXCEPTED—REVISION TO BE  
MADE ANNUALLY—PAYMENTS MAY BE MADE IN TWO  
INSTALLMENTS, IN MARCH AND AUGUST.

Harrisburg, February 8.—Sweeping changes in methods of assessing and collecting taxes are proposed for all counties of Pennsylvania, except Philadelphia and the cities of the first and second classes, in the bill prepared by the State Tax Law Revision Commission and introduced into the House today by Representative John G. Marshall, of Beaver.

The bill would create boards of three assessors in all counties except Allegheny, where there are now seven members, and Philadelphia, which has its own system, and in the seventh and eighth class counties, where County Commissioners would act as assessors. Provision is made for County Treasurers to send out deputies and to name a bank or trust company as a tax collector.

Members of the commission have been at work for more than a year and it is estimated there will be extensive saving in the cost of both assessment and collection. Numerous local assessorships and tax collectorships will be abolished and facilities provided for payment of taxes at a central place in many communities.

The bill provides for just one assessment for taxation in each county, third-class city assessments being abolished. The revisions will be made annually between January 1 and September 1, and all assessments are to be at actual value, no percentage assessments being permitted. Provision is made for assessors to sit as a board of revision in September, October and November and to certify duplicates by December 1, the cities or districts making levies during December. All distinctions between seated and unseated land are to be abolished. There will be only one duplicate for each city, borough, township or other municipal division, and it will apply to all taxes.

Taxes are to be payable in installments, due March 1 and August 1, two months being allowed to pay at face value and after that 1 per cent. per month is to be added as a penalty. Abatements are abolished, but provision is made for mailing cities. Tax sales will be held in June and no tax liens will be filed. The counties and local districts are to share equally the cost of preparing duplicates and collecting taxes, the cost of assessment being a county charge.

## Chamber of Commerce

BUSINESS MEN OF NARBERTH MEET AND ORGANIZE.

Several days ago notices were sent out to the business men of Narberth of a meeting to be held Thursday evening, February 10th for the purpose of forming a business men's organization.

The meeting was held Thursday evening in the real estate offices of Robert Nash and an organization to be known as The Chamber of Commerce of Narberth was effected. The following officers were elected: President, Daniel Leitch; Vice-President, Alexander C. Shand, Jr.; Secretary, Henry Nash; Treasurer, A. E. Wohler; Board of Directors, Howard P. Cotter, Edward S. Haws, Robert J. Nash, William S. Howard and Eugene Davis.

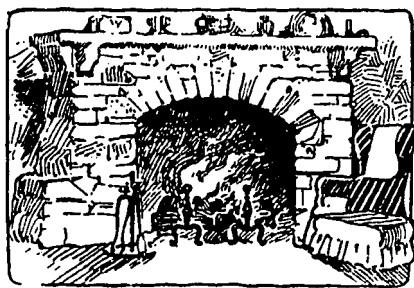

All business and professional men engaged in business in Narberth or who reside in our town and who are interested in the commercial and civic betterment are invited to become members of the organization. By-laws provide for regular monthly meetings.

## Luncheon and Cards

WOMEN'S COMMUNITY CLUB GIVE  
LUNCHEON TO MEMBERS AND  
FRIENDS NEXT THURSDAY  
AT 1 O'CLOCK.

There will be most delightful luncheon given in the Community Room on Thursday, February 17, by some of the Club members. The plan is to have a social afternoon for the Club members and their friends and at the same time make a little money which will be for the benefit of the building fund. Following the luncheon there will be cards, and even prizes for the most successful ones.

The biggest surprise is how little you are going to pay for your ticket. A whole afternoon full of pleasure, including a tasty luncheon, for 75 cents. There is just one requirement, which is that all persons having tickets will be held responsible for the price of all the tickets they hold after Monday, February 14. The reason of this is easily understood, when providing food for a large number of people, if too much is provided there will be no money made, and if too little is provided, some one is going to go without her luncheon. So if you haven't sold all your tickets, return them to Mrs. Harold C. Fenno, Box 15, on or before Monday. If you are in need of tickets, secure them by Monday.

There is a most capable committee arranging the affair—Mrs. John W. Joyce, chairman, assisted by Mrs. Richard Case, Mrs. H. C. Fenno, Mrs. Chas. L. McKee, Mrs. Robert Nash, Mrs. Orth and Mrs. James Smith.

## Community Club Notes

### A LEGISLATIVE MEETING.

A most interesting and instructive meeting was held in the club rooms on Tuesday afternoon, under the joint leadership of the Legislative Committee and the League of Women Voters. Those who were present learned many important points on the making of laws and the methods of passing them, as well as of City Government, all of which they can use to great advantage with the new power of the vote in their hands.

Prior to the addresses Mrs. A. B. Ross, chairman of the Legislative Committee, spoke on the great need of educating the women voters of the country. She then introduced Mrs. H. L. Schwartz, chairman of the Montgomery County League of Women Voters, who gave a most comprehensive talk on the need of an all partisan organization of all the women in America in order to have an intelligent electorate. Through education, information and organization, the League hopes shortly to gain such an electorate. This has already been begun by the endless chain of communication handed down from Harrisburg by the State leader to the county

## New B. and L. Series

On March 3rd next, the thirty-first series of the Narberth Building and Loan Association will be opened, and it is expected at that time to offer both the regular long term series and a new series called the "Short Term."

The short term series will have dues of two dollars a share, and when the dues and interest earned on the series amounts to its par value, or \$200 a share, the stock will mature, which will be in about half the time of the long term series, or about six years. The short term Building and Loan series has been found very satisfactory wherever it has been introduced and is not a new thing, as there are associations in Pennsylvania that have had this feature for a great many years, and as you will only wait half the time for your stock to mature it will probably appeal to the residents of Narberth the same as it has in the communities where it is now in force.

There are two classes of Building and Loan stockholders. First, those who take Building and Loan stock for the purpose of building or purchasing a home. The second, those who take the stock as an investment, and while the short term series can be used to obtain a mortgage and your property will be clear in about six years, it is generally easier to extend the payments over between eleven and twelve years in the long term series.

There have been so many homes purchased in the last couple of years in the vicinity of Philadelphia that it became almost an impossibility to obtain a mortgage through a Building and Loan Association without paying large premiums, and it has been well known that the Narberth Building and Loan Association has had more applications for mortgages than they could take care of. Conditions are again changing, and money will be available to take care of Building and Loan mortgages, and those in Narberth will have first consideration, so if you are thinking of taking out a mortgage through the Narberth Building and Loan Association it would be wise to get in your application stating when you will need the funds, as the applications will be considered in the order they are received.

We hope that the short term series will appeal to the old stockholders as well as to the new, and that the thirty-first series, which will be opened Thursday evening, March 3rd, 1921, from 7 until 9 P. M. at the Fire House, will be the largest one we have ever had.

Any of the directors will be glad to explain the Building and Loan idea or to receive applications for the new stock to be issued if you are unable to attend the March meeting, and both Mr. Leitch at the Merion Title and Trust Company, and Mr. Howard, of Howard's Drug Store, can be reached during business hours, and will be glad to take care of your subscription.

## Editorial

### LOWER MERION PRAISED.

Township Called Model Health Community by Dr. Martin.

Lower Merion Township, Montgomery County, has been designated one of the model health communities by the State Health Department.

Credit for the control of contagious diseases has also been given to the neighboring townships of Radnor and Haverford, Delaware County, and the borough of Narberth.

The report issued by the health authorities for these districts shows only eighteen deaths from 884 cases of contagious diseases, while most of these cases were not serious.

The department commends the monthly sanitary inspection and the extermination of homeless cats and dogs.

### TAXATION OF DOGS, ETC.

Section 5 of the Act of June 3, 1915 (P. L. 791), amending the Act of May 25, 1893, providing for the taxation of dogs, etc., imposing certain duties on constables and County Commissioners, and providing for the killing of dogs, and providing penalties for failure to comply with the provisions of the act, etc.

"Upon completion of the Assessor's report, the County Commissioners shall be empowered to call upon constables or State constabulary to kill all dogs not wearing a license tag, regardless of whose property they may be, and such officers shall not be liable to criminal or civil prosecution in the discharge of this duty: Provided, however, that before such action is taken they give thirty days' notice through one or more newspapers of general circulation, printed in the English language, in said county, that such action will be taken; that upon any citizen furnishing to the County Commissioners conclusive evidence of one or more unlicensed dogs running at large in any district or community, the County Commissioners shall be required to have

the unlicensed dogs in such community killed. Upon receipt of said notice from the County Commissioners it shall thereupon be the duty of such constable to kill all such unlicensed dogs, and for such service said constable shall be entitled to receive for each dog killed and buried, cremated, or otherwise legally disposed of by him, from the County Commissioners, out of the fund realized from the licensing of dogs, the sum of one dollar. For failure to perform his official duty under the provisions of this section the constable shall be liable to a penalty of two dollars for each offense, which said amount shall be deducted from any amount due such constable from the county at the next settlement between such officer and the County Commissioners; and provided further, that no dog shall be killed as set forth in this section when any authorized agent of any humane society shall indicate his willingness to take such dog and dispose of it otherwise."

### CHANGE IN FOREIGN POSTAL MONEY ORDER RATES.

Because of the change in the market rate for bills of exchange on certain European countries, on and after February 15, 1921, and until further notice conversion shall be made according to the following table:

Great Britain.... 1 lb.	\$4.00
Netherlands..... 1 Florin	.35
Sweden..... 1 Krona	.24
Denmark..... 1 Krona	.20
Norway..... 1 Krona	.20
France..... \$1.00	13 Francs
Belgium..... 1.00	13 Francs

There are ten countries with which arrangements have been made whereby the amounts drawn for payment in such countries shall be expressed in U. S. money (dollars and cents). These countries are: Bolivia, Chili, Costa Rica, Republic of Honduras, Hong Kong, China, Italy, Japan, Nicaragua, Salvador, Uruguay.

### DID YOU HEAR MR. STITES TALK.

The turnout at the opening meeting of the Harold D. Speakman Post, No. 356, held in Elm Hall last Friday evening, was indeed gratifying to the members, but we feel that a great many people missed an excellent opportunity to hear a wonderful talk.

We were very fortunate in securing Fletcher W. Stites, Esq., as the main speaker of the evening.

Narberth has not had the privilege of hearing such a forcible speech in many years, and it will probably be some time before the ringing words lose their last strains upon the ears of those present.

The members of the Legion, as a whole, wish to thank Mr. Stites through this column for his excellent talk, and our one regret is that we did not have anyone to take it down, in order that everyone should have the opportunity of appreciating such an inspiring talk.

### MUSICALE.

The Main Line Catholic Club is giving a musicale on Wednesday evening, February 16, at St. Margaret's Hall, to which there will be no admission. The club takes this opportunity to invite every person in the community, and it is to be hoped that they will avail themselves of this musical treat.

The following artists will take part: Miss Nan Woerner, soprano; Miss Frances Donnelly, contralto; Mr. Rudolph, tenor; Mr. Martin, baritone.

Through the courtesy of the John Wamamaker store, the audience will be given an opportunity of hearing the famous Ampico, which is world-famous.

In the article appearing in last week's issue of Our Town entitled "To Safeguard Narberth Homes," where it is stated that should any difficulty arise where immediate assistance is desired, phone Constable Miller, Narberth 661-J, or 1225-J, we beg to call our readers' attention to the fact that Constable Miller's phone numbers are Narberth 1607-J and 1225-J, and would ask our readers to change their records accordingly.

The Pennsylvania Department of Forestry has begun a campaign to locate the big trees of Pennsylvania. It is collecting information on the largest specimen of each kind of the 100 different species of forest trees that grow in the State. Colonel Henry W. Shoemaker, a member of the State Forest Commission, and Professor Joseph S. Illick, chief of the Office of Research, are in charge of the project.

Professor Illick said he is seeking information about large, unique, and historic trees. He believes each county of the State has some champion tree, and he wants to know about it.

Bedford County boasts of the largest swamp white oak yet found in Pennsylvania. That tree is thirty-two feet in circumference at the base. Dauphin County claims the largest sycamore, which is more than twenty-five feet in circumference at the base. It is declared that the State's largest sugar maple stands at Eaglesmere, Sullivan County.

Professor Illick desires the following measurements of big trees: Circumference at base, circumference at breast height, total height of tree, and the total spread of branches.

# RAINEY WOOD DOMESTIC COKE

made at the best and most modern equipped coke plant in the world, and at pre-war prices

The price for Anthracite Coal is, in the main, governed by the law of supply and demand. If the same law were allowed full sway the price would be higher than ever.

Legislative laws are a doubtful remedy.

Let one-half of the people of the Northeastern Atlantic Coast States turn to coke and soft coal, now made cheap by the natural law of supply and demand, in full swing, and both labor and capital in the Anthracite business will be standing on their heads in two weeks' time.

We know from personal experience, some twenty years ago, of a town of 3,000 people about 500 miles west of Pittsburgh, Pa., who then and now use soft coal, few having ever seen Anthracite, and where no one dies except from old age.

The price of coke delivered in this district is \$8.75 per ton in the cellar. Every cent of easy money has been eliminated in making this price. We will have to sell a great quantity of this coke or discontinue it altogether. Please give us an order and tell us what you honestly think of it.

Tuesday, at 8 P. M., the Young People's Society will hold a Valentine Social in the church parlors. Each member of the society will invite a guest. The Social Committee has been making great preparations and a fine time is assured.

Strangers and visitors are always welcome at this church.

## DEATH OF MRS. GEORGE MARKLE.

Mrs. George Markle died on Sunday, February 6, 1921, at 200 Narberth avenue, where the family have resided for about 12 years. Mrs. Markle was Cora Raynor, the daughter of the late George Raynor, a practicing veterinarian, of Manayunk. She was fifty-nine years of age at her death. For seven years Mrs. Markle was an invalid, having been afflicted with numerous strokes of paralysis, which finally caused her death. She is survived by her husband, George Markle; a daughter, Marian, and a son, George R.

The funeral was held Wednesday, February 9th, at 2 o'clock. Interment in West Laurel Hill Cemetery. Rev. A. S. Walls, of the Methodist Church, officiated at the services.

## BACK ALONG THE OLD TRAIL.

Look back over the trail, Scout, the trail of your battling sires, The trail that mounts from the centuries' depths, to the peak of your own desires.

See how it climbs from the dusk of the Past, from the Age of Bronze and Stone.

Through the veil of years, with toil and tears, to the crest where you stand alone.

Look at the wealth they bring you, Scout, the heritage of the years; The fire of the Norsemen rovers, the mind of the Celtic seers.

The strength of the Saxon bowmen, the courage of the grim Tartar.

Men have fought and men have wrought, to make you what you are.

Look that you keep the faith, Scout, true to the hopes they died for, the faiths they held and shared. Like to your sires of old, Scout, be ye a pioneer too!

Keen-eyed and sure, clear-eyed and pure, that the trail may be cleared anew.

—Henry Pitz in "Boys' Life" for February.

## PLANT TREES.

"Trees can be planted on roadsides, villages and city streets, town commons, village greens, city squares, playgrounds, school grounds, and other public places," writes A. C. Wessel in an article on "Forestry for Scouts," in the February issue of "Boys' Life."

"The grove or woodlot may be so open that the trees retain their limbs well down towards the ground, making it impossible to produce anything but knotty timber. It may be possible at times to thicken up the woodlot by underplanting or to change the condition to such an extent that self-seeding will be successful. The woodlot may be so dense that the trees crowd each other so severely that growth is checked and the trees do not develop. This struggle, which causes the death of many young trees, may be lessened in intensity to the great benefit of the woodlot by taking out enough trees so that those which are left will put on a much larger amount of wood.

"The composition and then the entire woodlot may be greatly improved and increased by simply taking out the so-called forest woods, such as Ironwood, Red Maple, Dogwood, Juneberry, Hawthorn and others.

"White Pine is best adapted for use on many thousand acres of non-agricultural land. It grows very rapidly and produces a valuable product. For these reasons the White Pines of the country are worth at least an heroic effort to save them.

"The character of the fungus, namely, the fact that it must pass through an intermediate stage on an ultimate post, currant or gooseberry, offers the only chance of saving the White Pine. If these posts can be eradicated over a sufficient area to prevent the dissemination of the spores from pine to currants and gooseberries, and from them back again to the pine, then a crop of pine timber can be procured."

HOLD ON TO YOUR LIBERTY  
BONDS AND VICTORY NOTES.

Loss From Speculation; Face Value Never Changes

"If you are holding on to your Liberty Bonds and Victory Notes—which you should—why worry about the market price, so long as you receive the interest on them regularly?" That is the way a large and well-known firm sums up the Liberty Bond situation for the benefit of its employees.

There is no safer investment in the world than Liberty Bonds and Victory Notes. The United States is a solid institution. It is the richest country in the world, and it has never failed to meet its obligations honorably. No man can invest his money more safely than when he buys these securities.

The sad thing about most of us is that we do not take what is safe, sure and solid. We are a bit gullible and often fall for a sensational thing. A stock promoter comes to us and craftily offers 50 per cent. interest on a dollar invested in his security. Fifty per cent! No mean bait. Smitten by it, we are at once trading our bonds for worthless stock and Ponzi schemes. When the money is swallowed up in fake oil wells or vanishes with the promoter, we blame the Government because the bonds go down in value.

The value of Liberty Bonds never changes. The Government has paid and always will pay the stipulated interest on the face value of the bonds. No matter what we paid for the bond at the time of purchase, we will receive its full face value when it matures. There is nothing alarming or unsafe in the present market price of

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

bonds. The Government did not originally sell them to us in order that we might trade them off at any moment. They were sold to stay put for a certain period. When we are dumping them wholesale on the market, we are breaking our part of the contract and we make their price go down, just as with any other commodity.

The United States Government did not issue these bonds for speculation, but for investment, and as such they are good as the day they were issued. No one who holds on to his Liberty Bond or Victory Note has ever lost or will ever lose a penny on it. It is the seller who loses.

Hold on to your bonds and buy more, not only as a matter of patriotism, but as a personal advantage and a good investment. By clipping the coupons regularly and investing them in Thrift and Savings Stamps your money will be earning double interest.

An Englishman, recently arrived in the U. S. A., at New York City, asked a smart-looking newsboy to show him about the city.

When they came to the American Surety Co. building, the Englishman asked, "Pray, my lad, how long did it take to build that building?" "About two years," the boy replied. "My, that was quite long, we could build it in a year." Next they came to the National Park Bank Building. "How long did it take to build that building?" the Englishman asked. "About a year," was the answer. "That was a long time. We English would have built it in six months." Then they came to the Woolworth Building. "And how long were you building this wonderful structure?" "I don't know, sir," replied the boy, "it wasn't there last night."

(Continued from Page 1.)

Our basketball boys are meeting some fast teams these days. On Saturday afternoon, February 5th, our boys of grammar school age defeated the visitors, a team from Villa Nova Prep. School, by the score of 28-20. The visitors were decidedly larger than our boys, but quick passing and all-around team work made possible for our team to win. No one boy deserves a great deal of credit over the rest of the team. They played the game together. Francis Peabody out-jumped his man in center, which gave our boys the ball from the start. With the support of the team Loraine Cuthbert scored 19 points.

On Saturday night, February 5th, our Comet Team defeated Upper Darby by the score of 31-25. All of our boys scored. With the support of the team, Duffy Myers again starred in making points, making a total of 14. Our lineup: Waldo Kurtz, Duffy Myers, Stewart Hoyle as forward; Herbert Griffith, center; Bob Knox, George Yocum, James Collins as guards.

On Saturday evening, February 12th, our Comet Club are being visited by the A. S. Blue Bell Team. A close, fast game may be expected.

Our younger girls' basketball team won from the Haverford Township High School girls on February 4th, by the score of 24 to 14. Our girls did good team work, and to show the visitors we had plenty of players, the line was shifted so that each of the following girls had a share in the victory: Caroline Robinson, Georgine Madderman, Francis Gibbons, Fern Burnside, Anna Broadbelt, Gladys Rudick, Edna Speers, and Dorothy Burns. There is lots of pep manifested in the Commercial Bowling League meets during the second half. Judging from the scores, there is going to be a very close run for first place.

## Community Club Notes

leader, thence to the township or borough leader, on to the ward leader and finally down to the block leader, who in turn personally comes in contact with her "block" or designated area.

Following Mrs. Schwartz, Mr. Lewis Wood Esbey, of Narbrook Park, sang three solos, "Tommy Lad," "Out of the Sunset Sea Into the Night" and "Still Wiede Nacht."

Miss Jessie Evans, an authority on civics and a member of the William Penn High School faculty, gave the address of the afternoon on the new city charter. While many of us had felt that we knew a little of this much-discussed charter, we realized how very little we really did know when we listened to Miss Evans talk so fully on the subject. She spoke at length on the advantages of the new methods of the city's government, whereby the City Council "talks" and discusses in every detail the new proposed measures, whereas under the old charter a bill was presented and passed in silence with no "pros" or "cons" at all except by the politicians on the outside. Miss Evans also explained the work of the different Bureaus in the Council, and especially that of the Bureau of Legal Aid or Welfare. To this Bureau people unable to pay for legal aid may obtain the services of a competent lawyer to help them secure their rights in any justiciable matter. This department has grown to such proportions that they now handle over one thousand cases a month and have had to greatly enlarge their force.

Mrs. William Livingston was hostess for the afternoon. She was assisted by Mrs. Edgar Cockrill, Mrs. J. W. Joyce, Mrs. Jesse Harris, and Mrs. E. S. Deubler.

### THE LITERATURE CLASS.

The class discussed some of the modern books and authors on Monday morning. Some of our current poetry was read. The following selections were read from E. V. Lucas' book entitled "Adventures and Enthusiasms": "A Study in Symmetry," "Davy Jones," "Thoughts at the Ferry," "A Little Child," and "On Shops and Stalls." The morning closed with poems from Robert Frost.

The class is open to any club member and meets every Monday morning at 10:30 at the residence of Mrs. Robert Wood, 12 Avon Road.

There was a meeting of the Main Line Catholic men in Ardmore on Friday night, February 11th, at the Merion Title and Trust Company's Hall, at 8 o'clock, the object being the formation of a Knights of Columbus Council.

D. J. McDonough, Deputy Collector of Internal Revenue, will occupy the Chamber of Commerce room in the Merion Title Building during the week of February 21st to 26th, inclusive, for the purpose of assisting tax payers in the matter of their 1920 tax returns.

Mr. and Mrs. Robley A. Warner, 214 Narberth avenue, sailed last Wednesday from New York for Bermuda, where they will spend several weeks. From there they go to Miami, Florida, to meet friends with whom they will tour all the way home by automobile. They expect to return about May 1st.

The Women's Auxiliary of the Harold D. Speakman Post, 356, of the American Legion of Narberth, will hold their next meeting on Monday evening, February 14, at 8 o'clock sharp, at the home of Mrs. F. H. Hewitt, 116 Essex avenue, instead of the Legion Headquarters, as heretofore.

Miss Mildred Smith gave a shower Monday night at her home, 211 Elmwood avenue, for Mrs. Florence S. Edich, whose engagement to Mr. Robert Compton has recently been announced. Those present were: Miss Mildred Smith, Mrs. Florence S. Edich, Mrs. A. K. Siler, Mrs. H. Hoffman, Mrs. Parker Miller, Mrs. Flora Compton, Miss Lillian Compton, Mrs. Robert Ross, Mrs. Leroy Douglas, Mrs. Frank Gravell, Mrs. J. T. Ward, Mrs. Arthur Yonkers, Miss Stella Ruffenburger, and Mrs. J. Fletcher Smith.

Mrs. Norman Southworth, 104 Hampden avenue, Narberth, is in charge of the Wellesley College Rally which will be held Saturday in the foyer of the Academy of Music, Philadelphia. Pictures of the beautiful Wellesley grounds will be shown. Miss Schaefer, a Wellesley dancer, will give an exhibition of aesthetic dancing; Miss Emma McAlarney, of the New York Evening Sun, who is a Wellesley graduate, will speak. After the program there will be a the dancant. The Wellesley College endowment campaign opens February 14th.

### OUT OF ORDER.

"The next one in this room that speaks above a whisper will be put out," exclaimed the angry judge.
